AUSTRALIAN ROAD TRANSPORT INDUSTRIAL ORGANISATION

This financial report covers Australian Road Transport Industrial Organisation as an individual entity.

1. INFORMATION PROVIDED TO MEMBERS OR REGISTRAR

Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, mandatory reporting requirements and the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements the Organisation is a not for profit entity.

The financial report has been prepared on an accruals basis and is based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

(a) Accounting Judgments and Estimates

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(i) Critical Accounting Estimates and Assumptions

The Organisation makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

(ii) Critical Judgments in applying the Branch's Accounting Principles

There are no critical judgments that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

(b) New Australian Accounting Standards

Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year unless otherwise stated.

AUSTRALIAN ROAD TRANSPORT INDUSTRIAL ORGANISATION

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Future Australian Accounting Standards Requirements

No new standards, amendments to standards or interpretations that were issued prior to the sign off date and are applicable to the future reporting period are expected to have a future financial impact on the organisation.

(c) Income Tax Expense

The organisation is registered as an "Industrial Organisation" and has an exemption from income tax under Division 50 of the Income Tax Assessment Act 1997.

(d) Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

(e) Financial Instruments Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the organisation commits itself to either purchase or sell the asset.

Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to profit or loss immediately.

(f) Impairment of Assets

At each reporting date, the organisation reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the organisation estimates the recoverable amount of the cash generating unit to which the asset belongs.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(h) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. Any consideration deferred is treated as the provision of finance and is discounted at a rate of interest that is generally accepted in the market for similar arrangements. The difference between the amount initially recognised and the amount ultimately received is interest revenue.

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

Revenue from the provision of membership subscriptions is recognised on an accrual basis over the financial year.

In accordance with Regulation 16 of the Reporting Guidelines (Fair Work (Registered Organisations) Regulations 2009), the organisation declares that it has not received any of the following revenue streams during the financial year;

Compulsory levies or voluntary contributions
Donations or grants
Financial support from another reporting unit

All revenue is stated net of the amount of goods and services tax (GST).

(i) Expenditure

In accordance with Regulation 18 of the Reporting Guidelines the organisation declares that it has not incurred any of the following expenses during the financial year;

Costs of employers making payroll deductions of members subscriptions
Capitation fees paid
Fees or subscriptions for affiliation with any political party, federation, congress, councilor group of organisations or any international body with an interest in industrial affairs

Compulsory levies
Grants or donations

(i) Expenditure (cont'd)

Employee expenses to office holders or employees as there were no employees during the reporting period
Fees or allowances paid to persons for conference attendances
Penalties imposed under the Registered Organisations Act with respect to the conduct of the reporting unit

(j) Liabilities

In accordance with Regulation 21 of the Reporting Guidelines of the organisation declares that there were no liabilities at the 30 June 2018 for the following:

Amounts payable for costs of employers making payroll deductions of members' subscriptions.
Amounts payable for legal costs
Provision for employee entitlements to office holders or employees as there were no employees during the reporting period.

(k) Related Reporting Units

The organisation is a National Body made up of State based organisations as its members.

The organisation relies on the financial support of the State based organisations through the payment of annual subscriptions.

The organisation does not provide financial support to any other reporting organisation.

As at 30 June 2018 the organisation had the following amount receivable from another reporting organisation (\$6,750 (WA Branch) as at 30 June 2017).

30 June 2018 NIL

(l) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

(m) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Australian Road Transport Industrial Organisation

Independent auditor's report to members

Report on the Audit of the Financial Statements

Opinion

We have audited the financial report of Australian Transport Road Industrial Organisation (the Registered Organisation), which comprises the statement of financial position as at 30 June 2018, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and committee of management statement.

In our opinion the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Transport Road Industrial Organisation as at 30 June 2018, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

We have concluded that the Committee of Management's use of the going concern basis of accounting in the preparation of the financial statements for the year ended 30 June 2018 is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Registered Organisation in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management are responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Committee of Management and Those Charged with Governance for the Financial Report

The Committee of Management of the Registered Organisation is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Committee of Management determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Registered Organisation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee of Management either intends to liquidate the Registered Organisation or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Registered Organisation's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Registered Organisation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Registered Organisation to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Registered Organisation audit. We remain solely responsible for our audit opinion.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an approved auditor, a member of CPA Australia and hold a current Public Practice Certificate.
